

## **Meditation 31<sup>st</sup> March 2020 - Community**

What I have felt profoundly, (it's not exclusive) is that the way through these desperate times is in community.

We are all realising that strength, with the up's and down's, as the consequences roll out.

At the same time I am uplifted and loved by the encouragement of others.

### **Prayer: Fr. Richard**

**O Great Love, thank you for loving and living in us and through us.**

**May all that we do flow from our deep connection with you and all beings.**

**Help us to be a community that shares each other's burdens and the weight of Glory!**

**Listen to our hearts longings for the healing of our world.**

**Knowing you are hearing us better than we are speaking we offer you our prayers.**

**Amen**

I confess that I have struggled to find God and felt overwhelmed in the last weeks:

This has helped me:

**'I am the vine; you are the branches. If a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing '**  
**John 15:5**

Alleluia!
